Living at University Park: Policies & Procedures

Payments

All monthly installment payments are due the 1st of every month. Payments are accepted by check or money order in the clubhouse. Payments are considered late after 10:00am on the 3rd of every month. A late fee will be applied to the resident's account after this time. After moving into UP, residents will have an on-line payment option via the resident portal at: www.upsalisbury.com

Cars and Bike Permits

Parking at University Park is available to all contracted residents displaying a current and permanently affixed UP decal on the lower passenger side of the windshield of the vehicle registered with our office. Any motorized vehicle using gasoline must be registered. Only one permit will be issued to each resident at check-in. Any non-permitted vehicle, vehicle parked in an unauthorized space, reserved space, or crosswalk may be immediately towed without warning at the owner's expense. Motorized vehicles must be parked in designated spaces. Cars without a CURRENT YEAR University Park decal will be towed at owner's expense starting September 1. University Park does not benefit from any towing fees and will not assist with any impound fees.

Occupancy Limits

Occupancy of any one unit is 10 persons total, including residents currently assigned to the unit. Violation of the occupancy limit may result in a fine.

Bike Permits

Bike permits will be available at check-in and throughout the year. Bikes are not permitted in the apartments or building breezeways. Bikes must be locked to a bike rack. Bike theft is prevalent around campus; we encourage locking bikes with a u-lock. U-Locks are available for purchase at the clubhouse for \$10. Any bike that is affixed to a tree, stairwell or any other area will be removed from property. Bikes can ONLY be stored on a designated bike rack. University Park is not responsible for bike or vehicle theft or damage.

Keys and Lock Outs

At move-in each resident will be assigned three keys: 1 front door key fob, 1 metal bedroom key, and 1 metal mailbox key. Replacement of either the bedroom or mailbox key costs \$15 each. The cost for a replacement FOB is \$25. All lockouts before 8:00 PM will cost \$10. Lock outs occurring after 8:00 PM need to be reported to the On-Call Phone or any staff members and will cost \$20. Fees incurred for lock-outs will be charged to the residents' housing account.

Rules and Regulations

Please remember smoking, drug use, underage drinking, pets, and other behavior issues will be handled judicially and will be considered a violation of the housing agreement. These infractions can result in fines and/or loss of housing with the financial obligation requiring residents to pay for the remainder of the lease. Please review the Student Code of Conduct and the University Park License Agreement carefully to understand all rules and regulations.

The Clubhouse Common Area Facilities and Amenities

The clubhouse/community building is the place to go for great amenities. Most of the events and activities hosted by the community take place in and around the clubhouse/community building. All rules governing common area amenities will be enforced by management and are subject to periodic review and revision. The facilities and amenities are for the exclusive use of community residents. A resident must accompany all guests at all times.

Maintenance Concerns

All maintenance concerns within the bedroom, unit, or elsewhere in the community should be submitted using our on-line maintenance request form within the resident portal. Please provide the maintenance staff with all the information pertaining to the maintenance request in order for staff to most efficiently respond to the issue. Upon submission of the request, the maintenance staff will undertake corrective measures as quickly as possible. Residents will be notified when the work has been completed or if more time is needed to address the situation.

To address emergency maintenance issues, maintenance staff is on-call. After regular business hours, residents should contact the community's CA On-Call for an emergency maintenance situation. Please use good judgment when deciding to contact staff after hours. Examples of maintenance emergencies include but are not limited to: flood, beeping fire alarm, broken window in a first-floor unit, front door lock malfunction, or fire.

Damages

Residents are responsible for the condition of unit furnishings and will be billed for all repair and/or replacement costs. Any and all repairs needed within units and other areas must be performed by authorized University Park maintenance personnel only. Residents will be charged for the repair of any damages for which they or their guests are responsible. All occupants of the unit will be charged for any damages found in the common area of the apartment at check-out that is not listed on the Move-in/Move-out Condition Form. Students are individually responsible for damages with their assigned bedroom.

Smoking

Residents, nor their guests, nor any other person entering the Community shall be allowed to smoke anywhere within the unit, bedroom, the Common Areas or within 100 feet of any building entrance in the Community. This includes smoking involving any kind of device and any kind of substance, including vaping pens and/or devices. Smoking is only allowed in the designated smoking areas in the exterior portions of the Community or greater than 100 feet from any building entrance in the Community. Violation of this policy is a violation of the terms of the lease and entitles us to all remedies for a violation of the license agreement. In addition, residents are responsible for any damage caused by smoking to the same extent as they are responsible for other damage to the licensed premises as described in the license. Damage includes, but is not limited to, deodorizing carpet or upholstered objects, wax removal, additional paint preparation, replacement of window coverings, repair or replacement of carpet or upholstered furniture, countertops, or any other surface damaged due to odor, burn marks and/or smoke damage. Failure to dispose of cigarette butts properly in designated smoking areas may also result in a license violation fine. **If the policy is violated, there will be a non-negotiable \$75.00 fine.**

Fines

Residents are given reasonable notice regarding University Park policies, policy violations and/or disruptions to the community before fines are assessed. **Consider this notice and acknowledgement of policies within to be a first warning.**

Fines range from \$25 - \$300, depending on the violation of the policy. Policy violations such as alcohol, occupancy limits and excessive noise may result in a \$75 fine. Multiple violations or consistent violations could result in fines doubling to \$150 per resident of the unit. Fines will be administered to the University Park housing account for payment with the next months' rent. Fines must be paid immediately with next month's rent to avoid additional late fees.

Housekeeping / Trash Disposal

The community provides custodial service for the clubhouse/community building, building common areas, breezeways, and grounds. Residents are responsible for the cleaning and upkeep of their unit. For convenience, dumpsters are located throughout the community for trash disposal. Please use another dumpster on the community, if the nearest one is full. It is everyone's responsibility to keep the community clean and free of trash and cigarette butts. Do not leave trash on the stairwell, hallways, and breezeways. If trash is found in inappropriate locations, resident accounts will be charged trash removal fees. The first violation will result in a \$50 fine, split evenly among residents of the unit (unless one resident takes responsibility). Additional violations of this policy will incur an additional fine of \$100 per item, split evenly among residents of the unit (unless one resident takes responsibility).

Service and Assistance Animal / Pets

Residents are prohibited from having animals (except for aquarium-bound fish, up to 10-gallon capacity) in units, common areas, or on the premises. Residents may not feed/shelter stray animals. **Residents are obligated to inform Management of any known pets/authorized animals on property so appropriate action may be taken to protect and remove the animal.** Failure to comply with this policy could result in a fine up to \$300.00 and possible eviction from the community. **Consider this as the first warning.**

Service animals are permitted to accommodate those with disabilities and special needs. Persons requesting the accommodation of an Assistance Animal will need to present reasonable support for their request and execute an addendum to their license related to their responsibilities for the care of their animal and be liable for any damage caused by the animal. ***Residents must get approval for an accommodation from the Salisbury University Disability Resource Center*** prior to the assistance animal moving in or visiting the property. If a resident brings their assistance animal without prior approval, the assistance animal will not be permitted to stay on-site until approval is granted -- no exceptions will be made. Moving the Assistance Animal to property prior to approval will result in a fine up to \$300.00. The process for seeking an accommodation related to an assistance animal can be found in the Resident Portal.

University Park Apartments contracts individually with each resident and therefore, management must reach out to roommates and building residents to check for allergies prior to the assistance animal being permitted on property grounds. If proper notice is not given to management prior to moving to University Park, the resident with the assistance animal may be required to move, due to any allergies or discomfort their roommates may experience. **ALL RESIDENTS WITH AN ASSISTANCE ANIMAL MUST RE-REGISTER WITH THE DISABILITY RESOURCE CENTER EACH YEAR FOR AN ACCOMODATION, PRIOR TO THE ASSISTANCE ANIMAL ARRIVING ON PROPERTY.**

Explosives/Flammables/Incense

The burning of any materials, including Incense and candles, is prohibited, except when a written request is made and prior approval is granted by Management for the purpose of religious or spiritual observances only. Residents shall not possess any explosive, fireworks, ammunition, gasoline, propane tanks or other highly flammable material anywhere on property. Students are not permitted to have personal grills, charcoal, or propane on property for any reason.

Utilities

If resident utility usage exceeds the allotted amount, residents will be billed via their University Park housing account and required to pay the overage. The utility overages must be paid directly to the property. **University Park will pay up to \$270.00 for a 4-bedroom apartment and \$190.00 for a 2-bedroom apartment for the following utilities: Cable TV, Electricity, Natural Gas, Water, Sewer, Garbage Removal (from dumpsters, not from units), and Internet. The excess charges will be equally divided among the licensees of the Apartment.**

Decorations & Lights

We encourage you to use small nails for heavier items while using tacks, poster putty (non-oil based), and blue or green painters' tape for smaller items to hang on your walls. You may not use hooks, screws, masking tape, duct tape, foam tape, double backed tape, 3M products or any other adhesives. NOTHING should be taped, puttied, hung, or posted from the ceilings. You are responsible for the condition of the walls, and ceiling, even if you damage them using what has been recommended. Please use discretion with the amount of nails that you use; excessive use of nails will result in charges at the time of check out. This policy is specific to University Park Apartments.

You are permitted to hang string lights with small tacks. **We DO NOT permit LED strip lights or fairy lights, as they char and burn the paint on the walls, creating a fire hazard. Additionally, they remove paint from the walls. Damage caused by LED lights will result in charges up to \$150 per unit.**

Live decorations are prohibited from the property which include, but are not limited to: pumpkins, live plants, flowers, cactuses, holiday trees, and Easter egg decorations. Also, any alcohol, obscene pictures, and drug posters should not be hung on the window facing the community. Students are not permitted to decorate the areas outside of their apartment to include breezeways, shrubs, light-post, etc.

Battery Operated Scooters and Hover boards

Self-balancing scooters, e.g. battery-operated scooters, hands-free Segway's, and hover boards may not be operated, charged, or stored in the residential units, buildings, common areas, parking areas, or the grounds of the Community.

Miscellaneous

Inspections

Apartment inspections will occur to assess preventative maintenance, and as a health and safety condition assessment. Residents will be notified in writing and in advance of these inspections. In the event that a resident has previously violated lease/ license agreement policies regarding proper cleanliness, guest privileges or the service animal policy, this document serves as notice for management to re-inspect the apartment/suite as necessary to ensure there are no further violations. We reserve the right to remove any alcohol bottles, paraphernalia in an underage apartment and any items that violate our policy.

Posting Policy / Flyers

Residents, businesses and student organizations, etc. are not permitted to post flyers such as advertisements, lost pets, promotions, sales, etc. on University Park property. Violation of this policy will result in a fine of \$25 per flyer.

Getting Along with Roommates

Living with others requires maturity, patience, open communication, willingness to compromise, and respect for others. No matter how compatible roommates are, there is always the potential for conflict. Culture, cleanliness, sleeping patterns, habits, and hobbies are some examples of things that can be different among roommates. These differences can serve to be positive learning opportunities for people living together, or they can create a negative atmosphere within the apartment/suite that can seem intolerable. Positive approach, positive attitude and communication with roommate(s) will determine whether or not the situation will be positive or negative. The CA staff is committed to facilitating communication between and among roommates. Communication can make the environment in each home even better! **Residents must fully participate in a mediation prior to being considered for a relocation. No exceptions will be made.**

Check-In/Check-Out

A Check-In/Check-Out Room Condition Report will be provided electronically by property staff. Please take time to review the form and submit an assessment concerning the apartment within 48 hours of move-in. Please note any additional issues or concerns. Please make sure this form is an accurate listing of the apartment/suite, as it will protect residents from being charged for any damages which may have occurred before move-in.

Prior to check-out at the end of the year, a letter will be emailed to residents notifying the community of all the steps involved in checking out, including: scheduling a time to have the apartment/suite inspected, and turning in keys. It is required that each resident make an appointment for check-out. Failure to comply with this process may result in a fee.

Student Code of Conduct

As in all living situations, we have a set of policies and guidelines for the community which must be followed. It is very important that residents familiarize themselves with all rules and regulations and the material contained in this handbook and in the lease/license agreement. Part of the CA's job involves making sure that the rules of the community are followed. Because every resident has received these rules, **this is considered the "first warning."**

The community operates in an adult atmosphere; thus, most residents will never find themselves involved with disciplinary action. Most incidents involving disciplinary action only require a verbal clarification or warning. For those persons whose behavior is such that it requires more attention, any or all of the following steps may occur: a private meeting with the CA or other staff member, a written warning (with copies to the resident file and guarantors of the license agreement), restriction from areas or events, relocation within the community complex, referral to the manager and/or, University official, contract probation, eviction, and/or criminal prosecution.

The Rules and Regulations of the property of University Park Apartments aligns with Salisbury University's Code of Conduct. For additional information regarding Conduct and Rules and Regulations please refer to the Resident Handbook at www.upsalisbury.com and <http://www.salisbury.edu/studentconduct>

Alcohol

In Maryland, individuals must be 21 years of age to consume or possess alcohol. The possession and/or consumption of alcoholic beverages in units must comply with local, state, and federal laws and regulations. Supplying alcohol to a minor is prohibited and illegal. Alcohol-related conduct which infringes upon the rights of others is not acceptable under any circumstance.

Residents over 21 may consume and store alcohol in their personal bedroom, if other residents of the unit are under 21 years of age. If all assigned residents of the unit are 21 years of age, alcohol may be stored in common areas of the unit.

Alcohol is not permitted in common areas (e.g., pool, stairwell, hallways, parking lots, and clubhouse/community building). Any resident/guest found walking on property with any alcohol whether it is open or closed will be required to provide ID to our security officer. *If found to be underage, the resident/guest will be asked to pour out all beverages in front of the security officer and throw away the containers. Failure to comply, will result in Salisbury Police being called and disciplinary actions will take place thereafter.*

Violations of the alcohol policy will result in disciplinary action ranging from fines, and/or referral to the Office of Student Conduct up to removal from Campus Housing, possible further disciplinary action with Salisbury University and/or arrest.

The possession of kegs, beer bongs, party balls, etc., is prohibited within any location on the premises.

Sexual Misconduct, Discrimination and Harassment

All cases of any type of sexual misconduct will be investigated by the Office of Institutional Equity at Salisbury University. Separate procedures for adjudication, as noted in the section on "Sexual Misconduct," will be followed when any violations are charged to a student that includes a charge of sexual misconduct.

For policies, refer to the section "Fair Practices Policies." For procedures refer to the section on "Discrimination and Sexual Misconduct Grievance Procedures for Complaints Against Students." For more information, visit www.salisbury.edu/equity

Threats or Acts of Violence

Threats or actions of violence include, but are not limited to:

- Threatening or causing physical harm
- Severe verbal abuse
- Conduct that threatens or that can be construed as threatening
- Conduct endangering the health and safety of any person
- Intentional or unintentional attempts to cause harm

Engaging in a physical altercation is prohibited. Students who engage in any level of physical altercation will be considered for suspension from the University for no less than one calendar year and may also be considered for permanent dismissal.

Students who participate as a bystander may, in some circumstances, also be subject to disciplinary action.

Prohibited conduct also includes threats or attempts to create harm that might have been meant to be humorous or exaggerated by the speaker, but whose intent is not apparent to a reasonable person, or threats not necessarily directed at a named individual.

Physical Abuse and Harassment

Physical, verbal and other abusive behavior and threats of physical abuse toward residents and/or staff violate policy and will not be tolerated. Such conduct may be grounds for immediate disciplinary action, removal from the community, and could include criminal prosecution. Examples of prohibited conduct include, but are not limited to, sexual and racial harassment, threats of violence, sexual assault, fighting, punching, slapping, kicking, scratching and pushing. Practical jokes, pranks or other disruptions are also prohibited in the campus community.

Disruptive Behavior

Residents are expected to act in a manner that will not disturb the academic pursuits or infringe upon the privacy rights, health or safety of other persons. Understand that any activity that has a negative impact on the roommates or neighbors will not be tolerated.

Mistreatment of Staff

Threats, harassment and any other mistreatment of community staff are grounds for disciplinary action, which may include cancellation of license agreement, campus disciplinary action and criminal prosecution.

Failure to Comply

Each resident is required to follow all directives of community staff and act in an appropriate and civil manner. Failure to accurately identify oneself to staff or comply with staff requests and directives will result in disciplinary action.

Weapons

Firearms, ammunition, fireworks, explosives, highly flammable materials, weapons, projectile devices, guns or knives, or any other weapon or material or instrument which poses a risk of damage or injury is strictly prohibited and a violation of the law.

Drugs

The University prohibits the possession, use, consumption, manufacture, sale or distribution of drugs and/or drug paraphernalia, no drugs, narcotics, controlled substances or drug paraphernalia may be possessed, used, sold or distributed at the community. Persons who violate this policy will be subject to disciplinary action and arrest, including immediate eviction. **Possession of a medical marijuana card does not override the lease/license agreement provision prohibiting the use of marijuana on the premises.**

Violations of the drug policy will result in disciplinary action ranging from fines, and/or referral to the Office of Student Conduct up to removal from Campus Housing, possible further disciplinary action with Salisbury University and/or arrest.

University Park is located on Salisbury University property, and funded by federal money, and therefore University Park does not recognize the medical marijuana card/prescription. Even though the state of Maryland acknowledges the card/prescription, University Park's educational affiliation and connection to the government will not allow for a concession or accommodation to this policy. No smoking of any kind is permitted inside of University Park units, or on property within 100 feet of residential buildings and/or the Clubhouse.

Definitions

The term "drugs" broadly includes, without limitation, any stimulant, intoxicant (other than alcohol), nervous system depressant, or other chemical substance, compound or combination when used to induce an altered state, including any otherwise lawfully available product used for any purpose other than its intended use (for example, prescription or drugs or household product misuses).

The term "drug paraphernalia" Includes any definition found in state and/or federal law, but broadly includes any material, product, instrument or item used to create, manufacture, distribute, use or otherwise manipulate any drug and includes, but is not limited to, hypodermic needles, syringes, baggies and/or rolling papers (when used for the purpose of drug use), strainers, grinders, scales, any devices used to ingest drugs including bongs or pipes. Specific violations of this standard include, but are not limited to:

- A. Being in the presence of illegal drugs and/or drug paraphernalia that may suggest to a reasonable person knowledge of use or distribution or intended use or distribution of said drugs or drug paraphernalia.
- B. The possession, use, manufacture, distribution, and/or sale of drug paraphernalia or other items used in preparing or consuming illegal drugs.
- C. The delivery, transfer or intent to deliver, transfer or manufacture any drug or drug paraphernalia.
- D. The sale, delivery or transfer of a prescription or prescription drug to another. This includes the sharing of drugs, cultivation of drugs and any other form of distribution or intention of distribution.
- E. A violation of any applicable local, state or federal law relating to drugs or drug paraphernalia.

Drugs – Continued

An individual may be determined to be under the influence by the identification of symptoms including, but not limited to, impaired motor-skill coordination, difficulty communicating, vomiting, glazed/red eyes, verbal and/or physical aggressiveness, destructive and/or disruptive behavior, and engaging in any behavior that may endanger oneself or others.

Parents/legal guardians may be notified when a student is found responsible for an alcohol and/or drug violation under this policy.

Vandalism

Willful destruction of the community by a resident or guest is a violation of policy and may result in disciplinary action, prosecution and immediate eviction.

Guests

Residents at University Park Apartments are allowed to entertain guests. However, all residents at UP will take precedence over guests who over stay their welcome. All guests are required to comply with the policies in this handbook and other applicable University rules. The resident is responsible for the behavior of all guests and will be held accountable for their behavior. Guests who are causing a disruption in the community and/or apartment, and making any resident(s) feel uncomfortable will be asked to leave and not return to the property unless noted otherwise by a staff member during a meeting. We reserve the right to ask any non-resident to vacate the property and not return.

Guests should in no way become a nuisance to the neighbors/ roommate(s). A roommate(s) has the right to object to future visits of guests and staff will mediate any concerns regarding the presence of guests. Overnight guests are allowed only with the permission of all roommate(s). Overnight guests are defined as any person not on the license agreement staying in the residence for more than six (6) hours in a day. The total number of days that a guest may stay is not to exceed 14 days over one-year August-July. Allowing guests to live in the unit past 14 days may result in the immediate cancellation of the license agreement.

Noise

Residents have the right to expect that they will be able to study or sleep without undue disturbance from noise. Keeping the volume on the stereo and TV at a level that can only be heard within apartment/suite and lowering voices when talking in the stairwells or hallways are two things residents can do to maintain a quiet environment. Residents are encouraged to speak with fellow residents about noise issues. If residents do not get the desired results, they should take the concern to the CA or contact the CA on call. The property is committed to academic success. In order to provide an environment where every resident can sleep or study when and where they want, we ask that all residents keep noise levels at a minimum after 9:00 pm including weekends.

Failure to comply will result in disciplinary actions and resident(s) will ultimately be in violation in the license agreement. Repeated violations of the noise policy will result in disciplinary action ranging from fines, and/or referral to the Office of Student Conduct up to removal from Campus Housing.

Fire Safety

Fire warning devices and safety equipment are to be used only in case of emergency. The sounding of a fire alarm should be taken seriously and residents should proceed according to the instructions posted in and about the community. The intentional sounding of an alarm outside of an emergency situation will be considered a criminal offense and the person(s) responsible will be reported to the police department.

Safety and Emergency Procedures

We work closely with local police and fire departments and are constantly evaluated to ensure that we continue to provide the safest living environment possible. Please respect the safety regulations herein. If residents do not understand any of these regulations and suggestions, residents should ask the CA for clarification. Please think safety at all times.

Right of Entry

Any UP Staff member has the right of entry, which includes, but is not limited to maintenance, management, and CA staff have the right to enter the apartment and the bedroom at any time, without notice to residents and without resident consent, at our sole discretion.

Students may not change any locks.
